1312-1 Inspired by Spirituality

Cultures around the world use beads and beaded jewelry in significant ways. Whether you want to make a rosary or choose to incorporate meaningful charms and beads into your jewelry designs, beads have a rich history that's sure to inspire you.

Bead One, Pray Too by Kimberly Winston
Describes the history of prayer beads and specific prayers in detail. Includes how to make sets of prayer beads for personal use. (Morehouse Pubs 2008)

The History of Beads by Lois Sherr Dubin
The latest revisions include the oldest bead ever discovered, dating to 108,000 b.c. and explain why beads worn on the human body were the original media communication system. (Abrams 2009)

Make a Simple Charm Necklace

Charms are an easy way to add significance to your jewelry designs. For this simple necklace, use jump rings to connect charms to a large decorative ring. Tie a piece of leather cord in lark's head knot around the decorative ring, then tie the ends in an overhand knot. (Charms and ring shown here are from www.TierraCast.com.)
