Tools Needed:
Needle Nose Pliers #4454
Wire Cutters #4457
Crimp Pliers #4501

Techniques to Know:
Opening Jump Rings
Crimp Tubes

Instructions:
1. Using two sets of needle nose pliers, separate the chain into (2) $5\frac{1}{2}$" lengths.
2. Using 6mm jump rings, attach a toggle clasp end to each chain.
3. Cut the following lengths of beading wire: (2) 10", (2) 12", (2) 14", (2) 16" and (2) 18".
4. Using crimp tubes, attach each beading wire length to its own 6mm jump ring. Attach the jump rings by strand length to one of the $5\frac{1}{2}$" chains.
   Thread the bead pattern onto the strands, the patterns are as follows:
   strand 1 = 6 purple, 6 blue, 5 green, 6 blue and 6 purple;
   strand 2 = 6 purple, 6 blue, 6 green, 6 blue and 6 purple;
   strand 3 = 6 purple, 6 blue, 8 green, 6 blue and 6 purple;
